## God is big, but he still wants to talk to you!

This verse shows us that God wants us to talk to him! Because even though God is super important, he still has time to listen to us. Let's look at what else this psalm has to say about God.

## God is close even if everyone else runs away

| **Psalm 27:10** *Even if my father and mother abandon me, the Lord will hold me close.*

But, here's the good news. We don't have to worry about God. He will never forget us. Even if it seems like everyone is running away from you, God will still be there for you. He created you and will always love you, no matter what.

## With God on our side, we can be brave

| **Psalm 27:14** *Wait patiently for the Lord. Be brave and courageous.*

So, when you are feeling lost and alone think about this psalm. Remember God is ALWAYS by your side and will always be there to talk to you.
