

## LESSON OVERVIEW

**Big Idea:** A true Christian will stand up for God

**Key Question:** How can we stand up for God?

**Memory Verse:** *Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think.* **Romans 12:2**

**Overview:** We're continuing in our series about what it really means to be a Christian. A Christian is just another name for a follower of Jesus. We've already learned what a "kinda sorta" Christian is like- they say they believe in God but they don't make him a priority in their life. We learned that God doesn't want it to be this way. He wants to be our best friend. Last week, we talked about how we should relate to God. We shouldn't treat him like he's our favorite restaurant where we order exactly what we want from him. That's not how God works. We don't tell God what we want. He tells us what we **should** want. The reason- God knows what's best for us. A true Christian trusts that whatever God gives us is good for us. Today we're going to talk about being strong for God. Now, when we say strong, we don't mean being physically strong like you can lift a car off the ground! We mean that you should be strong enough in your relationship with God to stand up for him. The world around us doesn't really care about God's opinion. So, as Christians, it can be scary to stand for God's way when noone else does. Think about your own life. Maybe your friends have encouraged you to lie to stay out of trouble with your parents. But you know what the Bible says about lying. You have to be strong enough to say "No" to your friends and "Yes" to God's way. We need to be strong enough to stand up for God!

## TEACHER TIPS

**2nd-5th puzzle key: trust, God, Romans, strong. Phrase will say "Be strong for God"**

Allow each kid to share. The point: We all want to be strong. Nobody likes to be weak. We should all want to be strong for God, too.

**Answer: We live out what the Bible says.**

The Bible is our instruction manual for how to live. If we follow what the Bible says, then we are representing God to the world around us. Our friends will notice that we act differently than everyone else. And when they ask us why we're different we can say, "Because Jesus is my best friend and I obey what the Bible says." Now that's standing up for God!

**Bonus Questions:** What is our instruction manual for life? Give some examples of what the Bible tells us **not** to do.

**4-5th:** Why is it important that Christians look different than the rest of the world?

There are lots of ways we can be strong for God. Here are a few examples:

1. When our friends are gossiping about someone we can say something nice about that person instead of joining in on the gossip.
2. When our friends encourage us to go somewhere we know we're not supposed to go, we can say "No, I won't disobey my parents."

As Christians, we need to guard ourselves against things like lying, cheating, greed, gossip, selfishness, unforgiveness.

Allow each kid to share.
