## How God Started It All (Youth)

In this lesson, we look at Genesis to Deuteronomy. We'll see how God started everything, and why he did it.

## How People Messed It Up (Youth)

In this lesson, we look at the story of the Bible from Joshua to Malachi. We learn how people made sinful choices, but God still showed his compassion to people.

## How Jesus Makes It Right (Youth)

Jesus came to take care of our greatest need. In this lesson, we summarize the life and mission of Jesus.

## How the Story Lives On (Youth)

Jesus left us with a mission. As we read Acts to Revelation, we see how the story of the Bible is really our story too. This section of the Bible shows us how God works in the world, and his purpose for our lives.

1

**Step 1: Watch the lesson video and fill in the blanks.**

*The first five books of the Bible (called the "Pentateuch") record the beginning of history.*

God created \_\_\_\_\_ (Genesis 1:1)

God created us to \_\_\_\_\_ him.

God gave Abraham a promise involving a \_\_\_\_\_, a \_\_\_\_\_ and a \_\_\_\_\_. (Genesis 12:1-2)

God made Abraham's descendants into a nation called \_\_\_\_\_.

2

**Step 2: Talk about it with your group or mentor.**

1. Summarize your favorite movie in one sentence.
2. God created the world by speaking it into existence. What does this teach us about God?
3. If you asked random people at your school why humans are on the earth, what do you think they would say? According to the Bible, why are we here?
4. Look again at the promises God made to Abraham in [Genesis 12:1-2](#). Why do you think God made these promises? Why do you think he picked Abraham?
5. What does it tell us about God that he will keep promises? What does this mean for you?
