## If you're in Christ, you're in the light

| **Ephesians 5:8** *For you were once full of darkness, but now you have light in the Lord...*

With Jesus, people can be transformed to live in light. If you are a follower of Jesus then there is a light in you that can rub off on others.

## The light in you produces fruit out of you

| **Ephesians 5:9** *For this light within you produces only what is good and right and true.*

The fruits of the spirit should be a natural byproduct of your faith, like when sun shines on a plant, eventually it will grow fruit. The more you allow Christ's light to be in you the more fruit you will produce.

## Actively expose the deeds of darkness

| **Ephesians 5:10-11** *Carefully determine what pleases the Lord. Take no part in the worthless deeds of evil and darkness; instead, expose them.*

Even though we may live in the light, the world is still dark. God does not want us to completely shut ourselves out from friends or family who are living in darkness, but he does call us to take no part in sinful activities with them. Instead, we should be a light in the lives of people around us, allowing Christ's influence in us to rub off on them.
